Welcome to Sanctuary Church!

**Welcome to our second service of the day!
If this is your first time visiting, we would like to let you know that we are happy you decided to worship with us today.**

Last week we discussed "What Women Wish Men Knew About Women." This week we look at the opposite view, "What Men Wish Women Knew About Men."

Through this sermon series we are going to try to help both men and women see that they can have "mountain top" types of marriages and receive the blessings God has for all of us.

Men, today as we talk about your thoughts and dreams, think about how you communicate these desires to your spouse.

Women, as we talk about the things your husband wants you to know about him, realize that he doesn't communicate his needs and desires in the same way as you would.

Friends, God calls us into loving relationships that are meant to be forever. It is my prayer that we all open our hearts and minds and do everything we can to *Make Love Last a Lifetime*.

In Christ,
